Materials:

- Brown paper bag
- Newspaper or tissue paper to stuff the bag
- Rubber band or hair tie
- White or brown cardstock
- Brown crayon or colored pencil (if you're using white cardstock)
- Scissors Glue
- Printable Sea Otter Template (Page 3)
- Bonus: Green tissue paper for kelp

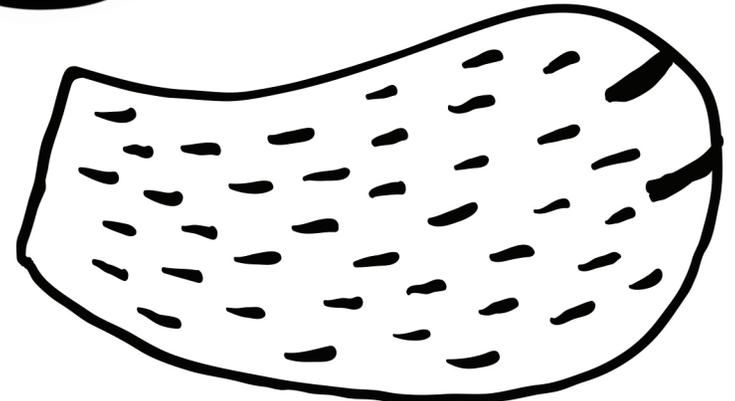

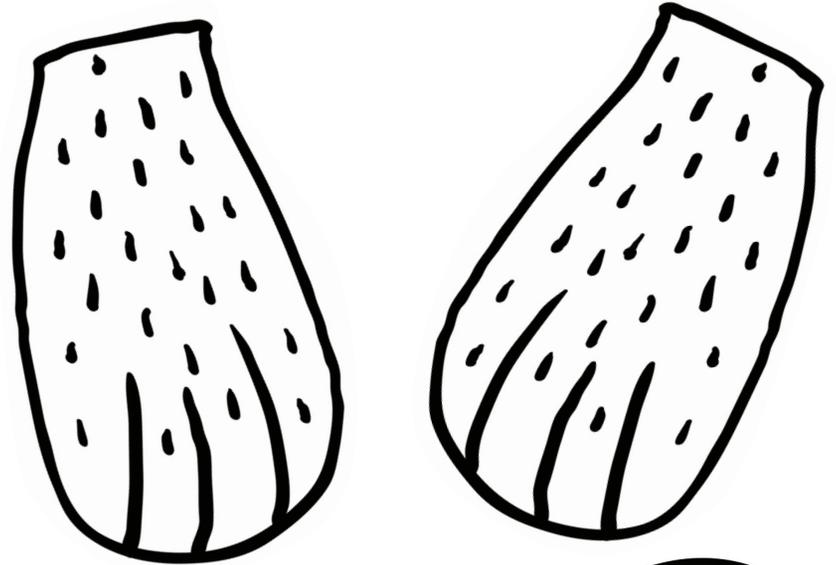

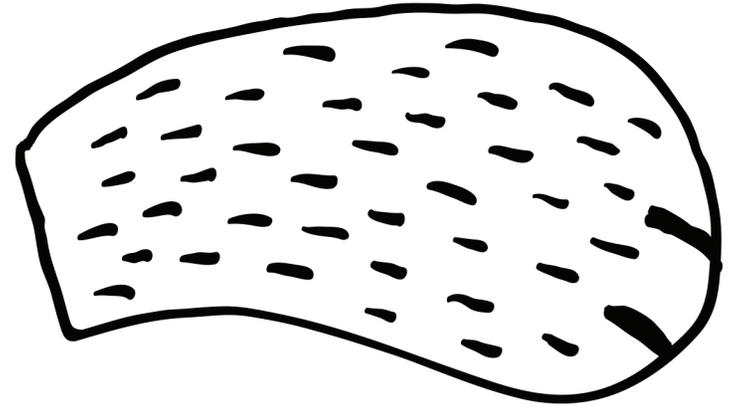

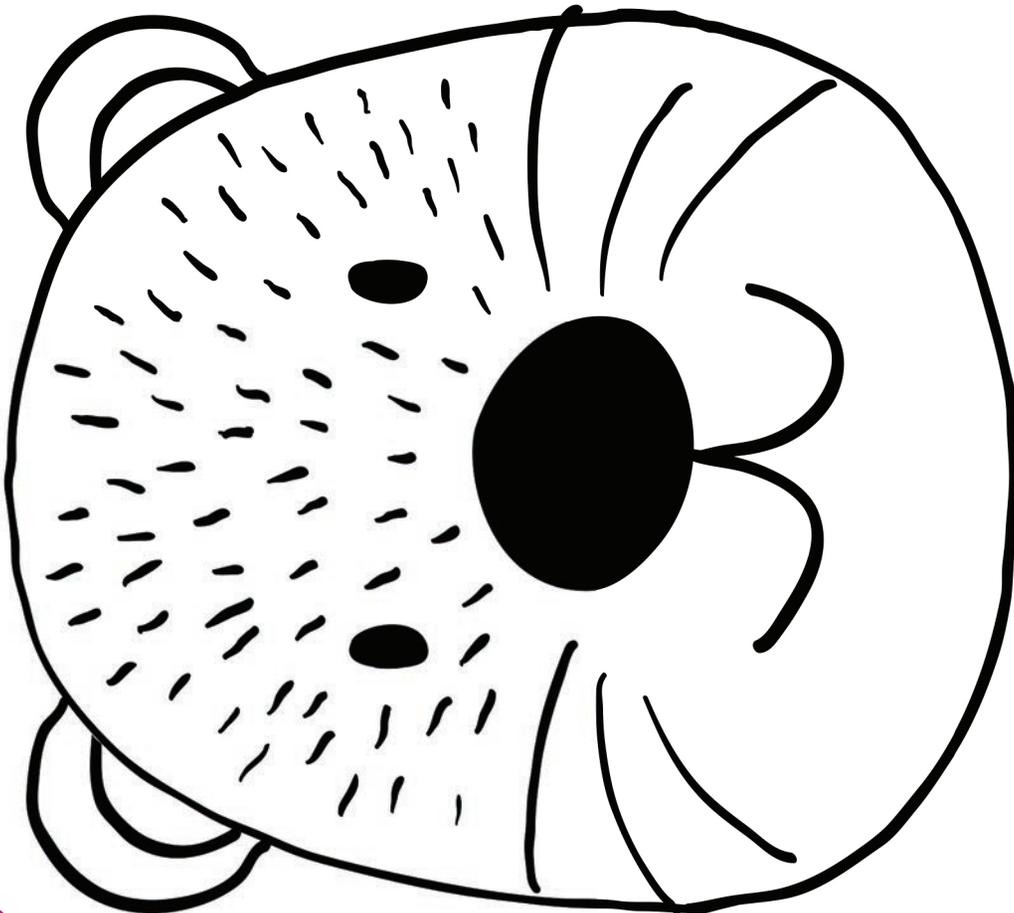

Instructions:

- 1.) Stuff a brown paper lunch bag about 2/3 full with newspaper.
- 2.) Gather the bag together below the stuffing and tie it with a rubber band or hair tie.
- 3.) Cut the bottom of the paper bag (below the rubber band) into two, creating two sea otter feet.
- 4.) Print out the Sea Otter Template. If you're printing it out on white card stock, color your sea otter brown. If you're printing it out on brown card stock, leave as is.
- 5.) Cut out the head, two arms, and two feet.
- 6.) Glue or staple them onto your stuffed paper bag.
- 7.) Optional: Make seaweed or kelp using tissue paper to go with your sea otter. To do this, cut long strips of green tissue paper and twist them. Glue on some paper or real leaves to finish your kelp.
- 8.) Once your otter is complete, grab a copy of *The Perfect Rock* and read along with the company of your new otter pup!
