

# Research an Artist

Draw your artist:

Artist's Name:

\_\_\_\_\_

Date of birth:

Born in:

The artist Bleat Mondrian in *Detective Stanley and the Mystery at the Museum* is based on a real artist, Piet Mondrian. In the back of the book, you'll find lots of interesting facts about him. Why not research an artist for yourself and see what you can find out? You can visit your local library to start your research!

Draw one of their paintings:

What do you like about the artist?

Detective Stanley  
AND THE  
**MYSTERY**  
AT THE  
**MUSEUM**

# Create a Mondrian

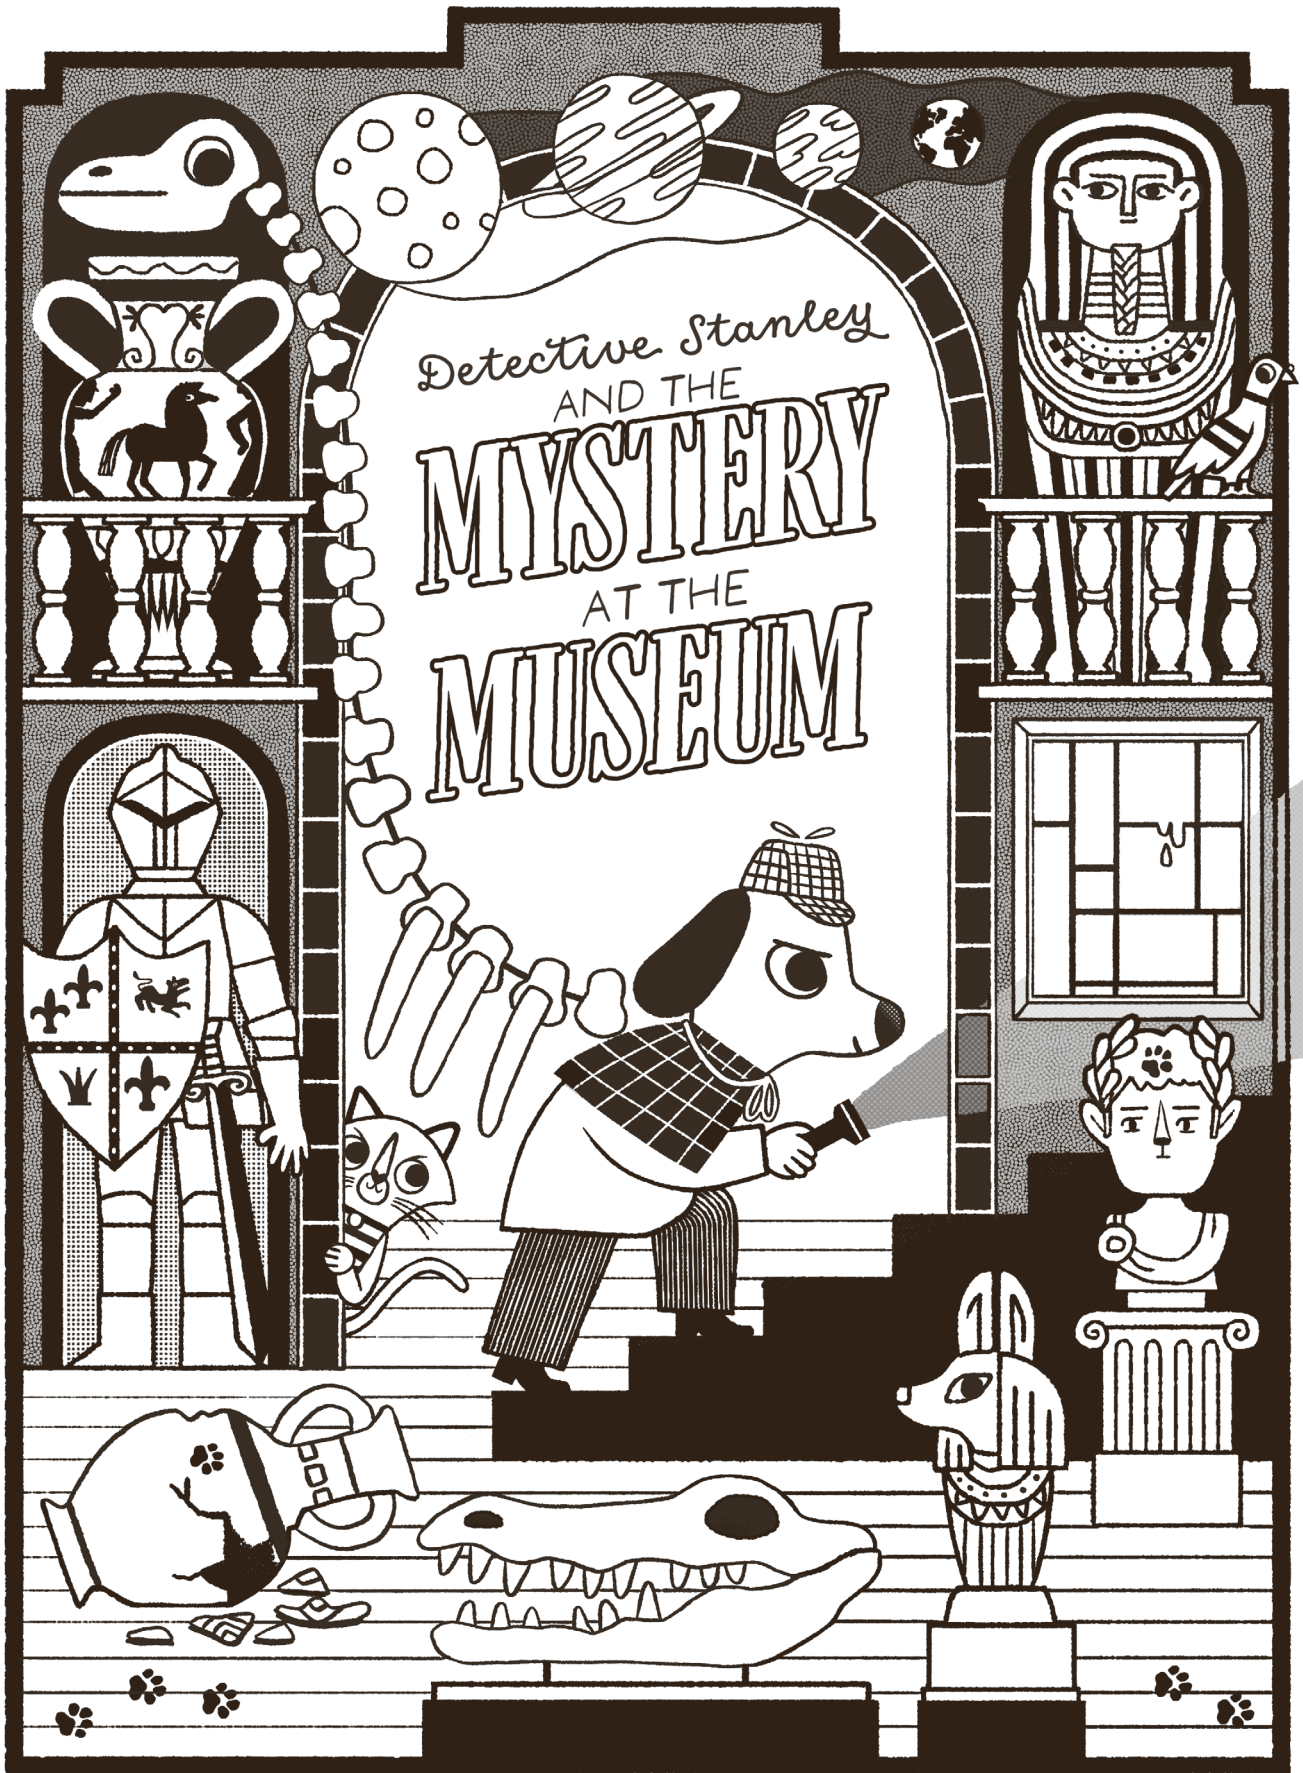

Piet Mondrian was famous for his blocks of colour and thick black lines, why don't you have a try at creating your own work of art inspired by him? Use the grid below to draw lines and create blocks with a pencil, then, when you are happy, colour them in and outline them with a black pen or pencil.

Here's an example of Bleat Mondrian's work from the book!
