

# Imagining My Future Self When I'm Big

In *When I'm Big*, Fern sets out to imagine what she will be like when she's BIG! But, what might you be like when you are big? Inside the dino eggs below, imagine your future self, and draw what you think you might be like as you grow up. What will hatch when you are big?

What I look like now

When I'm a teenager

When I'm a grown up

Name:

Age:
