

WHAT DO YOU KEEP IN YOUR HEART?

Things that make me strong

My favourite things...

In *Bear Heart*, we learn about all of things squeezed into Earnest's heart, like blueberries, honeycomb, and salmon. But, what do you keep in your heart? Using the space below, write and draw what is inside your heart. These can be your favourite things, things that make you smile, things that make you feel brave, or make you loud and strong!
